Downtown Haddonfield – A Haven for Business Professionals

Haddonfield, NJ – June 10, 2010 – While Haddonfield, NJ is home to the Delaware Valley's most unique downtown shopping and dining destination – it also offers a vast collection of the region's top, award-winning professional and service businesses.

Haddonfield's unique variety of specialized professional services and businesses include: architects, engineers, attorneys, health care, real estate, marketing, animal grooming, hair, health/beauty, and finance professionals as well as building contractors, bankers, photographers, travel agents and many more.

To promote the diverse membership of Haddonfield's professional business community, the Partnership for Haddonfield (PfH) created the Haddonfield Professionals Committee. This Committee is comprised of established Haddonfield businesspeople who volunteer their time and experience.

"Our committee is made up of professionals working in Haddonfield who are dedicated to creating business growth and camaraderie for the professional organizations of Haddonfield," said Rosanne Tizzano, Professionals Committee member and the manager at Haddonfield's Susquehanna Bank.

The Haddonfield Professionals' website, www.HaddonfieldProfessionals.org, serves as a central resource for highlighting news, staff additions, new technologies and events; and provides an online listing for every professional and service business in the Borough of Haddonfield.

In addition to managing the [HaddonfieldProfessionals.org](http://www.HaddonfieldProfessionals.org) website, PfH's Professionals Committee also sends out a monthly newsletter and holds monthly networking functions for those employed at any of Haddonfield's service or professional businesses.

"We view Haddonfield's professional business community as a major part of the Haddonfield experience. Our committee strives to promote the fact that, while Haddonfield offers some of the Delaware Valley's best shopping and dining, it is also home to many of the region's top professional experts in a variety of fields," said Tizzano.

The Haddonfield Professionals Committee is a part of the Partnership for Haddonfield (PfH), the management corporation for Haddonfield's Business Improvement District. The ordinance that created

the district was adopted on February 10, 2004 to encourage self-help and self-financing programs within the business community; enhance the commercial viability and attractiveness of the business district; and promote growth and employment within the Borough of Haddonfield.
